The College has grown out of the National High School, started in the summer of 1918 at Teynampet and since removed to its own grounds, covering about 25 acres, in Guindy Road, Adyar. The institution is a residential open-air public school and is under the Theosophical Educational Trust, represented by a local governing body on which the staff are represented.

The College and School are entirely residential and have many unique features. Special stress is laid on four aspects of the students' life. (1) The health of the boys is looked after by efficient arrangements for games and physical exercises and instruction in the rules of hygiene and good health. (2) The boys are trained in the duties and responsibilities of citizenship by instruction in Civics and by providing opportunities for practical social work among villagers. (3) The intellectual training of the boy is well looked after by organised individual attention and tuition by the teachers, and making the Library specially accessible to the students.

### (3) Madras Christian College

This institution was founded in 1837 by the Rev. John Anderson the first Missionary of the Church of Scotland to Madras. It was originally styled the 'General Assembly's Institution,' but remaining in dependence on that section of the Church which in 1843 dissolved its connection with the State, it was known from that time as the 'Free Church of Scotland Mission Institution.' The College department was opened in 1865. In 1876 its basis was widened. Other Christian bodies combined with the Free Church of Scotland in contributing to its support, and it became the most important centre of Christian liberal education in Southern India. The bodies which contribute to its support and are represented on its Council are, at the present time, the United Free Church of Scotland, the Wesleyan Missionary Society, the Church Missionary Society, the Church of Scotland, the American Baptist Foreign Mission Society, the London Missionary Society and the Reformed Church of America.

There are hostels attached to the college affording accommodation for about 250 of the students.

The college affords theoretical and practical instruction in subjects qualifying for the professions of Civil, Mechanical and Electrical Engineers, in view of fitting persons for employment in such capacity by Government, by Local and Municipal Boards, and by other agencies.

Four courses are provided—for Engineers, Upper Subordinates, Lower Subordinates and Draughtsmen respectively, but only the Engineer course qualifies for admission to the B.E. Degree Examinations of the University.

The number of students to be admitted annually is ordinarily limited to forty-five for the Engineer (Civil and Mechanical) class.

Admission is made once a year—for the Engineer classes, on the first working day of the college session.

Candidates for admission to the Engineer class must be under twenty years of age on June 30th of the year of admission. But this age limit will be extended by two years in the case of Muhammadan and Oriya candidates and those belonging to Agency Tracts.

Candidates for admission to the Civil and Mechanical Engineer classes must have passed the Intermediate Examination of the Madras University with Group I as the optional branch or an examination accepted by Government as equivalent thereto.

All candidates must produce satisfactory testimony of good character, physical fitness, age, and freedom from liability to small-pox. Candidates, whose certificates are unsatisfactory in any respect, will be excluded.

If the number of the applicants exceeds forty-five, admission to the Engineer class is regulated by selection.

The fee for registration is Rs. 5. The names of the selected candidates are published in the *Fort St. George Gazette*.

The tuition fees payable are Rs. 140 per session or in nine instalments of Rs. 18.

The course for the Engineer classes extends over five years, of which four years are spent in the college and one year in workshops or on engineering works.

Information as to the courses of study and other particulars may be obtained from the Principal.

**(20) Kottayam, C.M.S. College**

A continuous Christian education has been given in Kottayam by missionaries of the C.M.S. since about 1816. A seminary was conducted by English missionaries working in conjunction with the Syrian Church authorities, and was endowed jointly by gifts from England and by a handsome endowment from the Ranees, Sri Parvathy Bhai, partly in land, partly in funds. In 1837 it was found necessary to divide the endowments, about a half being given in trust to the 'Missionaries at Kottayam' to carry on the work. The present high school was then built under the supervision of the late Rev. Henry Baker, Senior. In 1862 the Kottayam College began to send up candidates for the Matriculation Examination. In 1892 the college began its career as a second-grade college. New college buildings have recently been erected. There is a high school attached. There are hostels for Christians and Hindus.

The college is at present affiliated in Groups i, ii and iii. Instruction is offered in Mathematics, Physics, Chemistry, Natural Science, Indian History, Modern History, Ancient History, Logic and Malayalam in Part III of the remodelled course and also Malayalam in Part II.

### (23) Palamcottah, C.M.S. Sarah Tucker College

This institution takes its name from Miss Sarah Tucker, who took great interest in the education and training of the young women in Southern India, though she never came to this country. Her friends collected money after her death and built the institution in her memory in 1862. Since that time it has greatly grown and developed, and is now a second-grade college with a training department for the secondary and elementary grades of teachers and a complete model school attached. The total number of students on the roll in all departments is 559.

Additional land has from time to time been acquired, and good and substantial buildings were erected for the high school and college in 1900 and opened by Lord Curzon, Viceroy of India. Museum library and science rooms have been since added. Besides the ordinary boarding accommodation, there is a special hostel which can accommodate twenty-four students.

#### (24) Palamcottah, St. John's College

This institution was founded by missionaries of the Church Missionary Society as an Anglo-Vernacular School at Palamcottah about 1835. It developed into a High School, and was affiliated to the University of Madras in 1878 as a Second Grade College, being the first institution in the headquarters of the district to attain College rank. In January 1880 the College was transferred to Tinnevely Town.

In 1897, owing to the congested nature of the site of the College, much needed expansion was made possible only by moving to a new site, and a new building was erected just outside the town boundary at a cost of Rs. 65,000, in which the college was carried on until April 1928.

A much more extensive scheme of development is now being worked out, involving the transfer of the College back again to Palamcottah. There a splendid site of about 40 acres, on high healthy open ground, has been obtained, and a largely residential College has been built at a cost of some Rs. 2,50,000. This includes two large blocks, with Library, Lecture Rooms, Science Laboratories, etc., and in addition four Hostels; there are already two bungalows on the site. The foundation stone was laid by His Excellency Lord Goschen towards the end of 1925 when the original name of C.M. College was changed to St. John's College. The new buildings were opened by the Hon. Mr. Justice Devadoss in March of this year.

The College exists primarily for the large Christian community that has grown up round the work of the C.M.S., S.P.G., and other Missions in Tinnevely and neighbouring districts. It is, however, open freely to all communities. Up to the present the course of instruction has been limited to English, Tamil, History and Logic; but the College has now been affiliated in Chemistry, Physics and Mathematics.

## (29) Vaniyambadi, Islamiyah College

This institution was first opened as an Elementary School in 1902 by some of the public-spirited merchants of Vaniyambadi, who formed themselves into a Committee called the Vaniyambadi Muhammadan Educational Society for the management of the School, just after the sittings of the All-India Muhammadan Educational Conference at Madras in December, 1901. The chief aim of the founders was to give the rising generation of Vaniyambadi, English education side by side with the religious, as they thought that Muhammadan boys could not have any teaching in religion if they were sent to Mission and Government schools directly.

In course of time the merchant princes joined the movement and helped the Society both with their advice and money, and the Madrasa-i-Islamiyah began its onward march towards a fuller destiny. First Form was opened on January 1, 1905. The Society was re-istered on May 21, 1905. The School was recognized as an Incomplete Secondary School on June 13, 1907, and on March 1, 1908, the Committee resolved that Hindu boys also may be admitted; the institution became a complete High School on July 2, 1912, and the College was affiliated on January 20, 1921.

Under Part II of the Remodelled Intermediate course instruction will be given in Urdu and Tamil.

PART III.- Under Group A instruction will be given in Mathematics, Physics and Chemistry.

Under Group B Indian (instead of Ancient) History will be taught along with Logic and Modern History.

Under Group C we do not propose to introduce any of the Subjects at present.

### (33) St. Berchmans' College, Changanacherry

The St. Berchmans' High School, Changanacherry, owes its existence to the Rt. Rev. Dr. Charles Lavigne, S.J., who was Vicar Apostolic of Kottayam from 1887 to 1896. It was started in 1891 as a High School with Matriculation and Pre-Matriculation classes and with a strength of forty pupils on the rolls. Other classes were yearly opened and the strength gradually increased until in 1896 the school became a fully equipped English High School.

His Lordship severed his connection with the diocese in 1896. Thereupon Dr. Mathew Mafil took up the management and did his utmost to bring up the school to the level of efficiency required by the Government Grant-in-aid Code; and afterwards under the regime of His Lordship Rt. Rev. Dr. Thomas Kurialacherry the school was raised to a college.

In May 1922, application was made to the University of Madras for affiliation to Group iii (History, Logic, Malayalam, Latin and Sanskrit) of the Intermediate Course and the Junior Intermediate Class was opened in June 1922 with 118 students. In June 1925 the College was affiliated in Groups i and ii.

Provision is made for imparting instruction in Sanskrit, Latin, Malayalam and Tamil under Part II and (A) Mathematics, Physics, Chemistry, and Natural Science, (B) Logic, Indian History, Ancient History, Sanskrit and Malayalam under Part III of the remodelled Intermediate Course.

In June 1927 the College was further affiliated in the B.A. Pass Course in Mathematics, Botany and Zoology (both main).

There is a good Library and large additions are being made every year.

There are hostels (both Christian and Hindu) for the accommodation of College students. Literary Unions and Games Associations are attached to the College.

The College is maintained from the Diocesan funds.

### (49) National College, Trichinopoly

The want having been seriously felt in Trichinopoly of an educational institution manned by indigenous agency and conducted on national lines, the National High School was started in 1886 by Messrs. G. Sesha Iyengar and P. G. Sundaresa Sastri. With a view to secure its permanence and steady growth, it was placed in 1892 under the control of a council. It was originally located in rented buildings, and the present buildings of which the foundation stone was laid by His Excellency Sir Arthur Havelock in 1898, were completed in 1904. Further additions were made by the generosity of the Hon'ble Mr. K. Vasudevaiah, the Zemindar of Udayarpalayam, and Mr. A. Sankariah. A new block called the "Pethachi Buildings," whose foundation stone was laid in 1921 by His Excellency Lord Willingdon, was completed in 1923, and still another called the "Diwan Bahadur Ramaswami Chettiar Buildings" has since been built.

The institution was affiliated to the University of Madras in March, 1919, in Group iii of the Intermediate course with Sanskrit, Tamil and Malayalam as the selected languages. It was further affiliated in April 1924, in Groups (iv), (v-A) and (v-B) of the B.A. Degree course. The following subjects are taught under the remodelled Intermediate courses :—

Part II—Sanskrit, Tamil.

Part III—(i) Mathematics, Physics, Logic ;

(ii) Indian History, Ancient or Modern History, Logic.

The Hostel buildings whose foundation stone was laid in 1912 by Sir P. S. Sivaswami Aiyar, K.C.I.E., C.S.I., were occupied in 1919. The Hostel accommodates 78 members.

The Library is named after its donor, the late Diwan Bahadur Pethachi Chettiar. It has cost about Rs. 15,000,—excluding the collection of books on History and Economics, presented by Mr. C. V. Vijayaraghavachariar, and called the "Professor K. Sundaramier Library."

The College has an endowed Fund of Rs. 1,02,000 most of which is invested as a Fixed Deposit in the Trichinopoly District Urban Bank, Ltd.

The College is open to students of all creeds and classes. There are a number of endowed scholarships, besides the several half-free scholarships and concessions awarded by the College to poor and deserving students. A special feature of the institution is the maintenance of a few free-boarders supported by the charitable bequest of the late Kaniyur Krishna Ayyar.

The College Council, registered in 1909 under the Charitable Societies Act, consists at present of about 50 members, and the Managing

Committee has 12 members, including the Principal, who is a member *ex-officio*.

## FACULTY OF AGRICULTURE

### (55) Agricultural College, Coimbatore

The Agricultural College at Coimbatore is the successor of the old School of Agriculture which was attached to the Experimental Farm at Saidapet in 1876. By the opening of that school Madras led the way in the inauguration of Agricultural Education which has since been followed by other Provinces. Several changes were made in the Saidapet College, notably in 1886 when the Madras Technical Education Scheme came into force, and again in 1890 when teaching was confined to the course leading to the Diploma in Agriculture and the Director of Agriculture was given some voice in the management which had previously been in the hands of the Director of Public Instruction. From 1902-04 the whole future of Agricultural Education was considered in detail and it was decided to found an institution worthy of the prominent place Madras had always taken in this cause. Coimbatore was chosen as the site and the foundation-stone of the present College was laid in 1906 by His Excellency Sir Arthur Lawley who afterwards opened the building on July 14, 1909, one year after the first batch of students had been admitted.

The College is a residential institution, all students being required to live in the Hostel. It is very well equipped with class-rooms, laboratories and library and possesses a farm of about 500 acres on which practical instruction is given. The courses, which have been varied to some extent in past years, have now been arranged as given below in view of the recent affiliation of the College to the Madras University and the institution of the University Degree of B.Sc. in Agriculture.

The course extends over a period of three years and leads up to the Degree of Bachelor of Science (Agriculture) of the Madras University. Candidates must have passed completely the Intermediate in Arts and Science Examination of the Madras University and should be qualified in Group i or ii thereof. The last date for the receipt of entrance applications is June 15, and students assemble on July 1.

Tuition is free to all students from the Madras Presidency and Coorg and the Hostel boarding expenses are very moderate. Six scholarships of the value of Rs. 25 per mensem are offered by Government to students entering the Degree Course and these are awarded as follows:—(1) Two scholarships to students from the Depressed classes, (2) one scholarship to a deserving Muhammadan student, (3) two scholarships to poor and deserving students, irrespective of the community to which they belong, provided that they come from families actually engaged in Agriculture, (4) one scholarship to the best student of the first year class, the scholarship being

given at the commencement of his second year. A private scholarship, 'The Pentland Scholarship' of the value of Rs. 110 per year, tenable for up to three years, may be awarded to a first year student from British Malabar of decided ability, especially if he requires financial assistance. Various prizes are awarded annually, particulars of which will be found in the College Calendar.

There are at present 41 students in class I, 40 in class II and 42 in class III.

#### FACULTY OF LAW

##### (57) Trivandrum Maharaja's Law College

In 1894 the Trivandrum Law class, which was opened in 1875 and affiliated to the University, was raised to the status of a college. It is intended to afford instruction to students preparing for the M.L. and B.L. Degree Examinations of the Madras University and the Pleadership, Civil and Criminal Special Tests, and such other examinations in Law as have been or may hereafter be instituted by the Travancore Government. In June, 1902, the old rules regulating the constitution and working of the Law College were revised by His Highness the Maharaja's Government by which the general management of the college was vested in the Principal subject to the control of the Dewan, the Law College Council being thus abolished. In January, 1909, a slight modification was made by placing the Law College under the Director of Public Instruction. This arrangement was subsequently altered when in April, 1910, it was

finally placed under the control of the High Court. The Law College, it may be noted, is the only self-supporting educational institution in Travancore. The rules of the Madras Law College have, with very slight alterations, been adopted in the institution. The curriculum for B.L. students is that laid down by the University regulations.

STUDENTS		FEES	
		RS.	
B.L. class	.. 226	.. 42	per term.
F.L. class	.. 156	.. 36	„

Three prizes are awarded annually. The 'Cullen Prize' of Rs. 50 to the Travancore student who passes highest in the M.L. Examination, and if there are no M.L.'s to the student who passes highest at the B.L. Examination; the 'Sadasivan Pillai Law Prize' of Rs. 40 to the student who, being a subject of His Highness the Maharaja of Travancore, passes highest at the examination for the degree of Master of Laws or Bachelor of Laws of the University, and who does not get the Cullen Law Prize, preference being given to the candidate who passes the M.L. Degree Examination when there are both B.L. and M.L. candidates in the same year, and 'Mr. Justice Muthunayagam Memorial Prize' of books for the amount accruing as interest from the fund, awarded annually to the first year student of the Trivandrum Law College, who, appearing for the F.L. examination of the Madras University held immediately after the completion by him of the F.L. course, passes highest in that examination from the College.

There are at present about 2,700 volumes in the library. The Government have sanctioned an annual grant of Rs. 2,500 for the library.

## ORIENTAL TITLES INSTITUTIONS

### (1) Chidambaram, Navalar's Tamil College

This Institution was founded in the year 1864 under the name of "Saiva Prakasa Vidyasala" by the famous Tamil scholar and philanthropist of Jaffna, Arumukha Navalar, with the object of giving instruction in Tamil Literature and Saiva Philosophy and was maintained at the outset with the aid of some private donations and latterly solely from the sale proceeds of the Tamil Publications of the founder.

Some 42 years ago the Primary Department of the Institution was organized in accordance with the Rules of the Educational Department and began to receive aid from public funds. #### (4) Kallidaikuruchi, The Vaidika Dharma Samvardhini Sanskrit College

*History.*—The institution was founded on the 10th of June 1917—thanks to the untiring energy and disinterested earnestness of Mr. S. V. Ramamurthy, I.C.S., the late Sub-Divisional Officer of Shermadevi, to whose efforts the institution owes its present position. At the beginning it was under the management of the Shermadevi Taluk Board, the public of Kallidaikuruchi helping the Board with decent contributions. Finding it impossible to meet the expenses of the College, the Board refused to maintain the institution. So on the 1st of May, 1919, a committee of nine members, mostly belonging to the village of Kallidaikuruchi, took up the management of the College. Consequent upon the refusal of the Board the College was named 'The V. D. S. Sanskrit College' which, under the Board's management, went by the name of 'The Board Sanskrit College.'

*Building.*—The College is now situated in a terraced building built of stone on the right bank of the river Thamraparni opposite to the bathing ghat, Ambasamudram. Mimamsa and Vyakarana of the Siromani Course of examination for Oriental Titles have been approved by the University of Madras in November, 1919. The present strength of the College is about sixty-three made up of 12 in the College, 29 in the High School, and 22 in the Elementary. The novel feature of the College is that education is free—not to speak of free boarding and lodging.

*Boarding.*—About six students are free boarders and a building has been rented for their lodging.

*Scholarships.*—Government award scholarships annually to deserving students as judged by the results of the annual examination according to the following scale, viz., Rs. 10 in the fourth year class, Rs. 9 in the third year class, Rs. 8 in the second year class, Rs. 7 in the first year class, and Rs. 2 and Rs. 3 in the High School department.

### (5) Shrimath Bhuvanendra Sanskrit Mahavidyalaya, Shri Srinivas Ashram, Karkal

This institution came into existence on the advice of the late very much revered Srimat Bhuvanendra Thirtha Swami of Kasi Mutt and was made possible by the liberal endowments left by Kukkundur Anantha Padmanabha Kamath for spreading Sanskrit Education in Karkal. In its infancy the school could boast of having produced famous Pandits and Astrologers, but subsequently owing to the inroad of Western thoughts and ideas, the importance of Sanskrit education was not so deeply felt and the institution dragged on a slumbering existence for some more years. Lately with the change in the methods of teaching as well as in the subjects taught, by which English and other subjects were introduced in the syllabus, the school has been once again established on modern lines and this useful combination of Eastern and Western methods of teaching continue to be a source of attraction and utility.

With the institution of the Oriental Titles Examination of the Madras University, the school attained a still higher status and classes were gradually opened for the instruction of the student in higher Sanskrit studies.

The Mahavidyalaya is at present located in the commodious Hall erected in the spacious grounds of Sri Srinivas Ashram, Karkal. The College students reside in the Ashram itself, where their boarding and lodging arrangements are carefully looked after by the Superintendent of the Ashram. Great stress is laid on the daily duties of the Brahma-ches in the Ashram and in this respect the Ancient Hindu Ideal is followed with advantage.

The management of the Vidyalaya vests in M.R.Ry. K. Subraya Kamath A/L, the son of the original donor. Mr. K. P. Kamath, M.A. (Hons.) L.T. B.L., is the Honorary Principal and Correspondent of the Institution.

Attached to the college there is an Ayurvedic Dispensary under an able physician well-versed in the Ayurvedic system of medicine. The Preparation Department of the Ayurvedic Dispensary provides facilities for the Practical Training of such boys as would like to take up the Subject of Ayurveda which will be shortly introduced in the college curriculum. Spinning, weaving and tailoring have been introduced and carpentry and smithy will be introduced as funds permit. The vast plots in front and behind the college hall have been levelled down for Agricultural and Horticultural purposes. Instruction in these branches is also imparted. Typo-writing also has been introduced. The ideal before the management is to train up the boys to grow spiritually, morally, physically and intellectually strong and to help them to carve out an independent and honourable career for themselves.

The college is at present approved by the University for the Sahitya Siromani Branches Jyotisha and Ayurveda. Education has been made free in all classes. There is a public library attached to the college and it contains 3,652 volumes.

The number of students in the whole Institution for the academic year 1928-29 is as follows :—

This institution was started in September, 1915, under a scheme sanctioned by the High Court of Judicature, Madras, in their order, dated 30th April, 1915, on Appeal Suit No. 31 of 1912. The object is to preserve the ancient Sastraic learning and to train pandits for the profession of purohits and priests. It is also intended to give instruction in Agama Sastra to Archakas and to equip the pandits with a knowledge particularly of the mantras relating to domestic ceremonies. The institution is being maintained and conducted in accordance with the ideals and

traditions propounded by the ancient Hindu Law-givers. It is practically a Gurukula providing free meals and accommodation to the poor and deserving scholars possessing aptitude for the study of Sanskrit. Instruction is given also in English and Tamil, so as to make the products of the Patasala useful citizens and competent preachers to expound the principles underlying the various stages of Hindu religion as well as the ideals under which the temple-worship came into existence and considered as an essential feature of Hindu religion. Tamil is the medium of instruction in the lower classes and Sanskrit in the advanced sections.

It is maintained from an annual contribution of Rs. 12,000 from the Rameswaram Devasthanam revenues sanctioned by the Subordinate Court of Ramnad. The institution is conducted by a staff of pandits with a Master or Bachelor of Arts in Sanskrit as Principal under the guidance of an Advisory Board of three learned gentlemen appointed by the Subordinate Court of Ramnad. The general management is vested under the scheme in a Committee of five gentlemen empowered to administer the Rameswaram Devasthanam revenues and to control its affairs.

The special feature of the Patasala consists in the performance of Samidadhana after Sandhya both in the mornings and evenings and of Suryanamaskaram in addition to religious instruction.

*Library.*—There are at present 1,289 printed books and 413 manuscripts.

(13) Sree Ubhaya Vedanta Vardhani College  
or  
The Sanskrit College, Sriperumbudur

1. This institution was founded in the year 1890 by one Sriman Bellamkonda Raghavachari, and it was recognised as a school by the Director of Public Instruction, Madras, in the year 1891. As the very name of the institution signifies, it was founded with a view to the advancement of Learning through the two channels provided for the purpose, namely, first, the knowledge of the Sanskrit Vedanta and second, that of the Tamil Vedanta or Dravidopanishad as it is called. The essence of the Sanskrit Vedanta Philosophy being altogether inaccessible to the mass, its spirit was revealed and communicated to the world through the medium of Tamil by the giant intellects who flourished in South India in the course of the last fifty centuries and more at a time when the centre of civilisation in India drifted its course from the north to the south. The great Satagopa Muni or Naminalwar, as he is known in Tamil, saw the light of Alwar Tirunagari, Tinnevely District, fifty centuries back and sang the whole Veda in Tamil, the Tiruvamoli being the very essence of the Sam Veda. It is evident the founder of the Institution aimed at nothing but the propagation of sound education by providing means for all-round culture at a place of historic interest, the birth-place of the World-Educator, Sri Ramanuja, whose ardent followers show in their lives the combination of rarest virtues reduced into practice and built on the firm foundation of plain living and high thinking.

2. This institution imparts instruction in the higher branches of Sanskrit learning. At present there are three courses, one for Nyaya, another for Vyakarna, and the other for Vedanta. There are also classes which prepare students for the collegiate course with suitable provision for Sanskrit studies and general subjects besides classes for Prabandham.

There is a Literary Society in which the students and Pandits freely take part very often ; it goes by the name of " Geervana Vani-Sanjeevini Sabha. "

3. This college has been approved by the University of Madras to impart instruction in Nyaya and Vyakarna of the Siromani Course of the Examination for Oriental Titles. This year 2 students, were presented for Vyakarna Siromani Final Examination and both of them got through the Examination, one in the 2nd class and the other in the 3rd class, only one out of two came out successful in the Vyakarna Siromani Preliminary Examination.

4. The College is provided with a fine building located at Moolaman-tapa Street, Sriperumbudur, with the temples and Embar Jeer Mattam on the northern side and the paddy fields on the southern side.

The late M.R.Ry. Singam Chetty Yatheenduru Chetty Garu had provided the institution with suitable buildings both for the College and the Hostel attached to it.

He had also provided in his will for payment of Rs. 1,000 per annum for the upkeep of the institution. The present Trustees contribute 12-8-0 per mensem to maintain one student in the Hostel.

5. Besides free instruction, provision is made for free boarding for 10 students and free lodging for an equal number. About 12 students are given monthly stipends from the College Funds and there are four scholarships from the Government of Rs. 23 in all.

6. The library consists of more than 820 volumes of valuable standard works in Sanskrit, Telugu and Tamil.

7. The management of the institution is in the hands of a Committee consisting of ten members, Mr. P. Rajamannar Chetty Garu, being the President and Rev. Behadur V. Ranganadham Chetty Garu, the correspondent and Secretary.

8. The College has a capital of Rs. 13,000, invested in Government Pro-notes. During the year the late Maharaja of Bobbili made a donation of (Rupees ten thousand) invested in Government Bonds. The expenses of the College are met from the interest on G.P. Notes and from annual donations and subscriptions collected from benevolent charities and private gentlemen. The annual grant given by the Government at present is Rs. 1,250.

9. The number of students in the collegiate section is 10 and is distributed as follows :—

CLASS			1st year	2nd year	3rd year	4th year	Total.
Vyakarana	..	..	2	4	1	..	7
Nyaya	..	..	2	6	..	..	8

**(14) Tiruvadi, Sanskrit College**

This institution is at present under the management of the District Board, Tanjore, maintained from the endowments under *Chatram* Funds. It had its origin in the several Patasalas and Vedic classes that once lay scattered in the *Chatrams* at Orattanad, Nidamangalam, Rajamadam, Mimisal and Vilangulam. These were established by the benevolent Rajas of Tanjore, chiefly in memory of the several pious Ranees of the family and were in existence for a long time where pupils belonging to poor families were fed, clothed, and educated gratuitously in accordance with the ancient ideals and traditions regarding Annadana and Vidyadana.

In the year 1877 these institutions were consolidated into one, and it was located at Orattanad, the then important centre. Three years later, for convenience sake, it was shifted to Tiruvadi. Then the school was divided into four classes beginning with the most elementary one. Gradually it grew up into an advanced Sanskrit school and in the year 1910 a wholesale reorganization was effected, by which the status of the institution was raised to that of an Oriental College. It is at present approved by the Madras University in Branch I (Mimamsa Siromani), III (Nyaya Siromani), IV (Vyakarana Siromani), V (Sahitya Siromani). Vidvan with Sanskrit and Tamil, the Vidvan course with Tamil as Principal and Sanskrit as subsidiary, and in the Tamil alone Vidvan.

Over and above these, the college provides for the two years' course of studies for Certificates of Proficiency in modern methods of study as applied to Oriental Learning in the optional group Indo-European Philology with special reference to Sanskrit. The institution is also approved for the following groups of Proficiency:—

- i. Literary criticism.
- ii. Indian Philosophy in its relation to the Western Philosophy.
- iv. Hindu Law and Jurisprudence.

There is also a high school course of six years preparing students for the Government Sanskrit and the University Tamil Entrance Examinations.

The college is open to all caste Hindus.

At present there is provision for 160 free boarders and twenty free scholars. Paying students may be admitted to any number without over crowding the classes.

Attached to the college there is a free hostel and boarding house under the charge of a Boarding Superintendent. The Sub-Assistant Surgeon of the Local Dispensary is looking after the health of the boarders and the sanitation of the hostel. The college with the boarding house is situated in a palatial building of its own, on the northern bank of the river Cauvery.

Pupils admitted as free boarders and free scholars bind themselves that under ordinary circumstances they will continue their studies here till they appear for the Oriental Titles Examination.

There is a library consisting of various sections containing in all 2,000 volumes which is every year growing in size, to meet the demands of a first-grade Oriental College.

Attached to the college there is a Literary Society, Vidyavikasin Sabha, and also a reading-room, supplied with the important journals, periodicals, and dailies in English, Sanskrit, Tamil, Malayalam and Kanarese maintained out of subscriptions from the students.

## UNIVERSITY OF OXFORD

The Secretary to the Delegacy for Oriental Students at Oxford has asked that the attention of applicants for admission to Oxford should be drawn to the following :—

Full particulars in the prescribed form are required and these must reach Oxford before the end of March in order to secure consideration for admission in October of the same year.

On the 31st March the list of applications for consideration is closed, and it is from this list that Colleges and the Delegacy for Non-Collegiate students choose the Oriental Students whom they are prepared to take (other than probationers for Government services and Government Scholars).

Late applications can be accepted only from men with high qualifications for research degrees.

No application can be favourably considered that does not include all the information necessary to enable a decision to be made.

The present Statutes give

- (a) Senior Standing only to those who have obtained a good degree with honours, to be approved by the Hebdomadal Council.
- (b) Junior Standing only to those who have obtained a B.A. or B.Sc. Degree approved by the Hebdomadal Council, with the important proviso that no degree will be approved for this purpose which does not include the study of English and in addition, of two of the following languages, Latin, Greek, French, German, Sanskrit, Arabic, Persian, Pali, Classical Chinese, of which either Latin or Greek or French or German shall be one.

Experience has shown that students from India rarely take these languages, and the results of the new Statutes will probably be that a large majority will have to pass Responsions or an equivalent examination. Even Junior Students must expect to stay for three years, because for every Final Honour School there is a preliminary which will take up all or almost all the first year. In this connection candidates for Jurisprudence should be carefully warned that a previous knowledge of Latin is essential, as is French or German for all other Schools.

In these circumstances applicants are urged to pass some examination exempting them from Responsions before they leave India. There are already facilities for taking the Cambridge Senior Local Examination but in order to get exemption from Responsions, the certificate taken must include two languages "with credit" (other than English) of which either Latin or Greek shall be one.

### FORM OF APPLICATION FOR ADMISSION FROM ORIENTAL STUDENTS

The following particulars must reach the Secretary to the Delegacy for Oriental Students before the end of March. Candidates who secure admission must join in October when the academic year begins.

1. Full name of applicant.
2. Age and date of birth.
3. Father's name, address and profession, or position.
4. (a) Applicant's previous education, i.e., at what school and for how long.
- (b) Applicant's University record
  - (a) Date of passing Entrance Examination.
  - (b) Date of passing Intermediate Examination.
  - (c) Date of passing B.A. degree with the subjects taken, especially languages included and honours obtained.
  - (d) Date of M.A. degree showing subjects and honours.
5. What subject does the applicant propose to read at Oxford? If different from the subjects taken for his Indian degree what qualifications does he possess for the proposed new course?
6. Certificates from School and University tutors about the applicant's character, conduct and ability. Special mention should be made of proficiency in games or other characteristics which will show his suitability for life at the University.
7. Certificates showing the social position of his family.
8. Financial guarantee from the applicant's father or guardian of the money necessary for living in England. The minimum per annum ordinarily for a member of a College is £350 and for a Non-Collegiate student £300 but at present prices students would be well advised to reckon on an expenditure of £400 and £350. It should also be stated whether the money will be sent through the Delegacy for Oriental Students. Under the rules, Colleges and the Delegacy for Non-Collegiate Students have the power of requiring that money be sent in this way.
9. If the applicant for admission as a Non-Collegiate Student be under 21 years of age, the Delegacy requires from parent or guardian written permission for him to live in lodgings.

*Letter No. L. S. 207/6/2, dated 30th October 1924, from the Joint Secretary, Indian Students Department, Office of the High Commissioner for India, London, to the Secretary to the Government of India, Department of Education, Health and Lands, Delhi, India.*

I am directed to refer to previous correspondence ending with your letter No. 1273 of the 18th June, relative to the Statute regarding Junior and Senior status of Indian Students at the University of Oxford, and to say that the Convocation of the University of Oxford, held on the 28th October, added a new clause to exemptions from Responsions as follows:—

“Any person who has obtained the Degree of Bachelor of Arts or Bachelor of Science at an Indian University approved by the Hobdomadal Council, provided that his course at an Indian University included the study of English and of one of the languages, Latin, Greek, French, German, Sanskrit, Arabic, Persian, Pali, Classical Chinese.”

This clause is now in force.

2. It will be seen that a graduate of an Indian University, under the new clause, will be eligible for exemption from Responsions, provided his course of study has included English and one Classical Oriental language. A student so exempted will of course be required to

take the full three years' course leading to a Pass or Honours Degree at Oxford, unless his qualifications render him eligible for recognition as a Junior or Senior Student, in which case, in addition to his exemption from Responsions he would be entitled to exemption from the first year course.

3. I am to say that the High Commissioner is of opinion that the exemption now granted, is one which will prove of real value to Indian Students generally, and will tend to remedy any hardship caused by the recent Statutes governing the grant of Senior or Junior Status.

4. In this connection it may perhaps be pointed out that the grant of Junior Status, whilst securing exemption from Responsions, is not always a desirable privilege in the case of Indian Students, seeing that they are then expected to take the First Public Examination (Moderations) at the end of their first year, and their Final or Honour school at the end of their second year, whilst as a general rule it has been found that it is difficult for a really good Degree to be taken within that period. Senior Status, on the other hand, exempts both from Responsions and the First Public Examination, and is therefore a valuable privilege.

5. It might also perhaps be pointed out that although to obtain the new exemption now notified, for the information of the Government of India, an Indian graduate need not necessarily have taken a modern European Language, such graduates would do well to bear in mind that a good knowledge of Latin or French is as a general rule necessary for the purpose of the particular school they desire to take at Oxford.

6. I am to add that it is understood that a similar proposal in regard to the exemption of Indian graduates from the Cambridge Previous will in the near future come forward for discussion and definite particular will be communicated as soon as a decision is reached.

*G.O. No. 79, Law (Education) Department, dated 29th January, 1925.*

# I

*G.O. No. 1905, Law (Education), dated 5th December 1924*

# II

*Letter from the Joint Secretary to the High Commissioner for India, London,*

*No. I.S. 207/6], dated the 19th December 1924.*

I am directed to refer to my letter of the 6th November regarding admissions to Oxford and Cambridge, and to say that the Delegates for Oriental Students at Oxford have recently had under consideration the new Statute granting exemption from Responsions to students holding the Degree of B.A. or B.Sc., of an approved Indian University, if they have passed in one language. I am to say that it was then noted that in cases where the one language required by the Statute has been offered, it is usually an Oriental language, and it was stated that many colleges as well as the non-Collegiate body are most reluctant to admit students who do not possess a knowledge of Latin or French. It was therefore considered advisable that the attention of the University and other authorities in India should be drawn to the fact that it will be difficult for Indian Students to obtain an offer of admission unless they can show this knowledge of Latin or French, preferably by passing the Oxford or Cambridge Local School Certificate Examination.

Muttuswami Aiyar, B.L., K.C.F.E., primarily for the encouragement of the study of Law in its higher branches and especially of Hindu Law, and secondarily for the encouragement of the study of Physical and Natural Science. The endowment was accepted by the Senate at a meeting held on August 30, 1890, and the following are the conditions of award.—

The scholarship shall be designated the 'Sir T. Muttuswami Aiyar Scholarship,' and shall be awarded by the Syndicate biennially or whenever a vacancy occurs. It shall be of the monthly value of Rs. 35 and tenable for two years or for such shorter period as the Syndicate may deem necessary in the special circumstances of each case.

The scholarship shall, in the first instance, be awarded to a student in Law who, having passed the B.L. Degree Examination in the University of Madras, wishes to continue his studies for the degree of Master of Laws in the same University; but if, on the occurrence of a vacancy, no student in Law shall apply for the scholarship it shall be awarded to a student who, having passed the *Intermediate Examination* in the University of Madras, wishes to continue his studies for the *Bachelor of Arts (Honours) degree in one of the sub-divisions of Branch ii or of Branch iii.*

On the occurrence of a vacancy, applications for the scholarship shall be invited from students in Law in three successive issues of the *Fort St. George Gazette*, and, if at the end of six weeks after the appearance of the first notification no application shall have been received from students in Law, a new notification shall be inserted in the said *Gazette* inviting applications for the scholarship from students who wish to prosecute their studies for the *B.A. (Honours) Degree* in the aforesaid branches.

The age of an applicant must not exceed 25 years on the 1st January, preceding the date of the notification.

The scholarship may be declared by the Syndicate to be forfeited if the conduct or progress of the holder be unsatisfactory, or on account of his continued ill-health, or for any other reason which the Syndicate considers sufficient. There shall be no appeal from such decision.

The holder of the scholarship must bind himself by written covenant—

(1) to prosecute his studies for the examination of Master of Laws or *Bachelor of Arts (Honours)*, as the case may be, in the University of Madras, and to appear for examination, on the first occasion admissible under the regulations;

(2) to place himself, for the direction and control of his studies, under the supervision of the Principal of the Madras Law College in the case of a student in Law, or of the Principal of a first-grade College situated in the town of Madras in the case of a student reading for a degree in Arts;

(3) not to hold any other scholarship in conjunction with this scholarship;

(4) not to pursue any calling inconsistent with the prosecution of his studies, nor to practise as a pleader, nor to hold any salaried appointment during his tenure of the scholarship.

Provided that nothing contained in this covenant shall be taken to debar the holder, if a student in Law, from serving his term of apprenticeship or from being enrolled as a pleader during the tenure.

The scholarship shall commence from the date on which the selected applicant reports himself to the Principal of the College under whose supervision he has to pursue his studies after executing the above covenant.

The Syndicate shall have power to make such changes in the conditions of the award as new circumstances may render desirable, provided that the object for which the scholarship has been founded shall always be kept in view and provided that the monthly value of the scholarship shall not be less than one-twelfth part of the interest accruing on the original endowment. Should, however, the Syndicate at any time after the 'Tata scheme' becomes an accomplished fact, consider it expedient and feasible to utilize the income from the endowment in granting a scholarship for the encouragement of research in any of the above or other branches of learning, it shall be competent for them to do so.
